If you can get those to me this week that would be great. Not sure if you have any additional photos showing the conditions inside the buildings, but if you do, those would be helpful, too.

Hi Tonya, I believe we do have those original images. I'm copying Beth and Alisa here and we will get back to you shortly.

Matt, do you have the photos and a jpg of the conceptual city plan on page 2 that were used in the 2007 Des Moines TCE reuse plan? I'm trying to pull them for a HQs presentation, but the photos are really small and the conceptual plan doesn't want to cooperate.
